

OUR VISION

To cultivate thriving schools at the heart of thriving communities—where every young person is empowered to succeed, and where education and a wider community focus drives real, lasting social change.

OUR MISSION

We exist to transform lives through inclusive, values-led education. We serve the young people of Our Community by fostering ambition, nurturing character, and championing equity.

This vision drives everything we do. We are dedicated to creating an educational environment where pupils are not only equipped academically but are also empowered to become agents of positive change in their communities. Our vision acknowledges the challenges faced by our pupils and commits to transforming these into pathways for success and social impact.

We seek to be the place of first choice for children to learn and staff to work. Through an extensive challenging curriculum and best practice in teaching and learning, informed by research and the experiences of our staff, we will enhance children's life chances by maximising their educational outcomes. The Trust's ability to look and work cross phase will enable us to become a centre of excellence in transition. We will invest in families, develop strong curriculum and pedagogy to ensure enhanced progression in children's learning from the early years to school learning age.

We embrace the opportunity to take responsibility for a child's education throughout their whole school life, providing them with the best opportunity for a successful future.

OUR VALUES

Whilst these are Trust Wide values, there would still be an expectation and desire from GMAT that school's maintain their own values, assuming they are consistent with our approach

Heart embodies our compassion, empathy, and genuine care for every pupil and staff member. We understand the complexities of our community and respond with kindness, patience, and unwavering support

- We nurture a culture of belonging where pupils feel valued and safe to express themselves.
- Staff model respect and fairness, ensuring every voice is heard and every need is met.
- Our pastoral care systems and wellbeing initiatives are designed to support the emotional and psychological health of our pupils and staff alike.

Happiness reflects our commitment to creating a joyful, engaging, and supportive learning environment. We recognise that happiness is integral to wellbeing and academic success

- Our school culture promotes positive relationships, collaboration, and a sense of community.
- Pupils are encouraged to pursue their interests and talents through diverse extracurricular opportunities.
- We foster an atmosphere where laughter, creativity, and celebration are everyday experiences, helping pupils and staff to flourish together.

Hope fuels our belief in the potential of every pupil to achieve greatness, overcoming adversity where necessary. It inspires optimism and resilience in the face of challenge

- We set high expectations for all pupils, encouraging them to aspire beyond any circumstance.
- Our curriculum and enrichment activities are designed to ignite ambition and foster wonder and aspiration.
- We celebrate progress and success, no matter how small, reinforcing the message that every pupil's future is bright and full of possibilities.
